

Profit Report

Description: This report calculates the overall profitability of whatever you choose to detail by. This flexibility allows you to recreate reports such as the Staff Profit Report from the older Practice Solution program.

Notes

- To duplicate the Staff Profit Report from Practice Solution detail by Staff.
- For best results, choose Period-to-date for Detail line and Year-to-date for Detail line 2.

Identification

Description: Profit Report

Report Options

Selection **Layout**

Dates
